

Please visit www.churchtimeline.com

The timeline was originally created as a project for a church history class at Covenant Presbyterian Seminary, the seminary for the Presbyterian Church in America (PCA). My intention is to provide a resource for the whole Church. The timeline is intended as an overview, to give "the big picture" of some of the major events in the church in the last couple of millennia.

I've linked keywords in the timeline to the coolest and most useful information I could find on the web. Whenever I could find the text of the documents mentioned, I've linked to those.

So come, check it out. Enjoy it, and learn something new.

Thanks,

Clay McKinney
